Colourblocking for Mensa

STUDENTENWERK - DRESDEN

For Mensa in Dresden -designed by Steffen Thiele- Hutten provided their furniture. We manufactured our **BOLZANO** benches in a skyblue fabric, and a variety of **EVIA** and **185** chairs and stools in beech. The **LIRA** tables were executed with a concrete-look HPL tabletop. In combination with the colourblocked wall, you will surely look twice...

Is your project in need of something special?

We can make your wildest dreams come true.
