ENDLESS POSSIBILITIES

AND AFFORDABLE DESIGN

Our customers have the most diverse wishes for their projects. Therefore, with *Hutten* you get to choose the finish that suits your ideas. Play with colour and material, or let us laser your logo in wood. The possibilities are endless and we love to find solutions together.

In this instance, our client chose a modern 'velvet-look' for our *Chloë*. Combined with a black wooden frame, the chair got a luxurious *hotel-appearance*.
