

PROJECT | XPO KORTRIJK

...WHEN CONTEMPORARY AND VINTAGE MEET...

VINTAGE-LOOK FOR OUR CHLOË

DESIGNED BY BURO B / SUPPLIER LAVIGNE - TOKK INTERIORS

One way to *personalize* your project furniture is to add a vintage-look to the design. *XPO Kortrijk* chose our *Chloë* in black, with antique-finish. It gives a sense of cosyness to the modern space and blends perfectly with the natural materials that were used within this project. The result looks amazing.

Looking for more ways to make your project feel *unique*? Our sales department will gladly provide you with more information. Contact us via: sales@hutten.com.
