

DESIGN : TERRY TROMP - VAN DER VALK DESIGN

COMMISSIONED BY : VAN DER VALK DESIGN

Hotel Van der Valk

VENLO - THE NETHERLANDS

The new Hotel Van der Valk in Venlo turned out stunning! We were able to contribute to this project with our Chloë series.

The hotel rooms got different executions of our ever-green design; A regular- or a rockingchair, with a bold or understated coloured frame, and various upholstered seats.
